SPLASH PAD

Seasonal Hours of Operation

April – October 8:00 am – 7:00
pm November – March Closed

For the enjoyment of all participants, please comply with the following splash pad rules. The following activities and items are not permitted in the splash pad area:

1. Climbing, sitting, and playing on splash pad apparatus.
2. Drinking splash pad water, spitting and spouting of water from the mouth.
3. Running, rough play, and profanity.
4. Inflatable pool toys, athletic and other recreation equipment.
5. Changing diapers.
6. Radios and other electronic devices.
7. Street shoes.
8. All general use and pool rule apply.

OPERATION

The splash pad is motion activated by the small red pedestal. To turn “ON” the splash pad, the motion sensor can be tripped by swiping your hand over the top. The splash pad takes a couple minutes to become fully operative as water pressure builds up and air is expunged from the water lines.

The splash pad is programmed to run for 15 minutes before turning off to save water. Therefore, splash pad users may simply reactivate the unit periodically if longer use is desired.

The splash pad is programmed to operate during the seasonal hours of operation noted above. Outside of these hours the splash pad is automatically OFF and cannot be activated with the pedestal.

Anyone that observes operation or apparatus malfunction or any other unsafe condition should stop use immediately and contact the community Association management company.

FIRE PLACE SAFETY

1. The use and operation of the community fire places by minors is prohibited.
2. Young children should be carefully supervised when they are in the area of the fire place.
3. The community fire places are not intended for cooking or to be a starter for wood or any other combustibles. Leaves, sticks, wood, paper, clothing and food materials should be kept away from the fire place.
4. Do not sit on the fire place.
5. Windy and gusty conditions will affect the flame in an unpredictable manner. If conditions exist that are not safe turn the fire place off.
6. Once the fire place has ignited, **DO NOT** leave unattended.
7. **DO NOT** use the fire place if there is any evidence of leaking gas.

OPERATION

1. Ensure the fire place is clear of people, debris, and safe to start.
2. Turn "ON" the fire place by entering the code on wall key pad (it may take several cycles to purge any air).
3. The fire place has been programmed to run for 20 minutes before turning off. Therefore, users may simply turn the fire place back on if longer use is desired.
4. Turn "OFF" the fire place using the shut off button mounted on the wall. As a precaution, after use and prior to leaving users should always press the shut off button to ensure the device is off.

As a safety measure fire places will lockout for the follow reasons:

1. After failing to ignite.
2. Flame is blown out.
3. Exceeds a certain temperature.

Once in lockout mode the fire place will not operate until the system has been reset. In the event the fire place goes into lockout mode please contact the community Association management company to request a system reset.

DANGER

If you smell natural gas or suspect a natural gas leak:

1. Turn off the fire place.
2. Immediately evacuate the area.
3. From a safe location call Southwest Gas or fire department. Suspected gas leaks also need to be reported to the community Association management company.

A certificate for the reservation along with the executed Contract will be sent upon receipt and confirmation of all requested information.

3. Exclusive use of the tot-lots and community pool is not permitted
4. Private events where a majority of minor children are present, must be properly chaperoned.
5. Only one (1) ramada may be reserved per household per day.
6. By establishing a reservation, the Resident agrees to clean the area of use at the conclusion of the function. This includes, and is not limited to, all trash, decorations, food, etc. The Resident also agrees to abide by all community Rules and Regulations set forth in the Community Documents.
7. There is NO fee to utilize a ramada, however the Board reserves the right to establish a refundable security deposit in the event the Association starts incurring costs associated with any clean up, repairs for damage, etc. on a regular basis. Notwithstanding the foregoing, Residents will be responsible for any cost incurred by the Association for clean up or damage in connection with private events.

Key Provisions of Center Pointe Vistoso CCRs

The following Association rules summarize some of the common provisions found in the CC&Rs as well as rules established by the Board pursuant to its rulemaking authority set forth in the CC&Rs.

Architectural Submittal and Committee Review – 3.4

No Improvement Visible From Neighboring Property or exterior modification shall be constructed or installed without the prior approval of the Architectural Committee (AC). The Committee shall have authority to regulate the external design and appearance of the Lots and all Improvements thereon. A submittal form is available and included or you may contact our management team to obtain one. Review the Design Guidelines and fill out the form completely and return it to begin the approval process. Include as much information as possible to reduce the amount of review time required.

Leasing – 5.27

No Owner may lease less than his, her or its entire Lot, and no Lot may be leased for a period of less than six (6) consecutive months. All leases must be in writing, and be subject to the requirements of the Project Documents. Owners must notify the Association of any lease within fifteen (15) days of the effective date of the lease, and provide the Association with the following:

(a) name of tenant, (b) date and term of the lease, and (c) current address of the Owner. The Association shall have the right to charge an administrative fee in connection with the Association's record keeping of each new lease.

Trash/Recycling Containers and Collection – 5.13

No garbage or trash shall be kept on any Lot except in covered containers. These containers must be stored so that they are not Visible From Neighboring Property, the street, or Common Areas, except up to twenty-four (24) hours in advance of collection and not later than twenty-four (24) hours after collection. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot. Notwithstanding the foregoing, garbage or trash placed on any Lot solely in connection with any bulk trash pickup program shall be acceptable so long as such garbage or trash is placed neatly on the Lot and is made available for collection no earlier than the weekend immediately prior to the weekday of collection.

Pets – 5.5

Residents are allowed to keep a reasonable number of generally recognized domesticated house or yard pets. Animals cannot be kept or raised for commercial purposes and they are not allowed to make an unreasonable amount of noise or become a nuisance to neighbors. Dog runs must have the prior approval of the Architectural Committee. Dogs must be kept on leashes at all times while on the Association's Property and all Owners must clean up after their pets. No structure for the care, housing, or confinement of any pet shall be maintained so as to be Visible From Neighboring Property. Upon the written request of an Owner, the Board shall conclusively determine, in its sole and absolute discretion, whether a particular animal, is a generally recognized as a domesticated house or yard pet and whether such a pet is a nuisance.

Holiday Lighting

Owners may display holiday decorations which are Visible From Neighboring Property only if the decorations are of the kinds normally displayed in single family residential neighborhoods, are of reasonable size and scope and do not disturb other Owners and Residents by excessive

light or noise or by causing an unreasonable amount of spectator traffic. Holiday

decorations may be displayed no more than thirty (30) days before or more than twenty-one (21) days after any nationally recognized holiday.

Seasonal and Decorative Flags

Seasonal and decorative flags, which are house mounted below the roofline, do not require approval. Seasonal flags must be removed within ten (10) days after the date of the holiday, and all flags must be maintained in good condition at all times. Seasonal or decorative flags that are determined by the Board, in its sole discretion, to be offensive to neighbors or the Association must be removed. Sports flags will only be allowed to be displayed on the day prior to and the day of the specified team's most recent game.

Machinery and Equipment – 5.14, 5.16, 5.23, & 5.25

No machinery, fixtures, or equipment of any type, including, but not limited to heating, cooling, air-conditioning and refrigeration equipment, may be placed on any Lot without screening or concealment so they are not Visible From Neighboring Property, the street or Common Areas. Oil pans, carpet, boards or any other object used to collect oil spills from driveways must be removed when not in use and stored so as not to be Visible From Neighboring Property, the street or Common Areas. Any such additions shall require prior approval from the Architectural Review Committee.

Vehicles – 5.9

No motor vehicles classed by manufacturer rating as exceeding one-ton, mobile homes, recreational vehicles, travel trailers, tent trailers, camper shells, detached campers, boats, boat trailers, hang gliders, ultra lights, or other similar equipment or vehicle may be parked, kept, placed, or maintained on the street or any Lot so as to be Visible From Neighboring Property, the street or Common Areas. The provisions of this section shall not apply to pickup trucks of less than one-ton capacity with camper shells not exceeding seven (7) feet in height measured from ground level and mini-motor homes not exceeding seven (7) feet in height and eighteen (18) feet in length which are parked and used on a regular and reoccurring basis for basic transportation or in conjunction with a Resident's occupation, provided the vehicle is in good repair and any and all "tools of the trade" stored in or upon the vehicle are not visible.

No automobiles, motorcycles, motorbikes or other vehicles shall be constructed, reconstructed or repaired upon any Lot, parcel or street, and no inoperable vehicles, including but not limited to vehicles with flat tires, may be stored or parked on the street or any Lot, so as to be Visible From Neighboring Property, the street or Common Areas; provided, however, that the provisions of this section shall not apply to vehicles of the Developer or any Designated Builder (or their respective employees, agents, affiliates, contractors or subcontractors) or to any vehicles permitted by applicable law to park in streets or driveways.

Parking – 5.33

Vehicles of all Owners, lessees, and Residents, and of their guests and invitees, are to be kept in garages, carports or the residential driveways of the Owner, whenever such facilities are sufficient to accommodate the number of vehicles on the Lot. In the event the garage and driveway is insufficient for parking, temporary parking shall be allowed on the street directly adjacent to the Lot; provided however, in no event shall overnight on-street parking be allowed. The Board shall have the right to tow at the expense of the owner (5.34)

Speakers

Outside speakers will only be allowed if they are concealed in the patio cover and secluded from view. Residents are required to keep the volume as low as possible so as not to disturb the peaceful enjoyment of neighbors.

General Maintenance and Duty to Maintain – 5.12

No building, landscaping or other Improvement shall fall into disrepair and shall always be maintained in good condition and adequately painted or finished per the Design Guidelines. The Board and/or its designee shall have the right to determine when the property is in need of repair, maintenance, or other upkeep.

Landscaping – 5.30

All landscaping on the Lot shall be completed according to statutes, ordinances and the Design Guidelines, whichever is most restrictive. Front yards shall be completed within sixty (60) days of closing and rear yard landscaping shall be completed within six (6) months from the date of closing. All Owners must obtain prior approval of the Architectural Control Committee before installing or altering existing landscape.

Window Coverings – 5.24

Within sixty (60) days of occupancy each Owner shall install permanent draperies or suitable window treatments on all windows facing the street or common area. No reflective materials including but not limited to aluminum foil shall be placed inside or outside of any windows. Review the Design Guidelines, exterior treatments may require prior approval of the Architectural Review Committee.

Collection of Assessments

Assessments are due on the 1st of every month and are late after the 15th. The late fee is \$15.00 and interest is accrued and assessed on the 30th day monthly on the open balance of assessments at 1% each month.

You will receive a monthly statement to pay your assessments or you may sign up for ACH through the Mission Management Services, the form is included below, or you may contact their office to have one sent you. Once the process is complete, your assessment will be withdrawn automatically around the 5th of each month.

Mission Management Services has a great tool for payment of assessments. Visit their website at www.missionmanagement.biz and select the Pay Online link to setup your account.
